

imagine space saving quality display

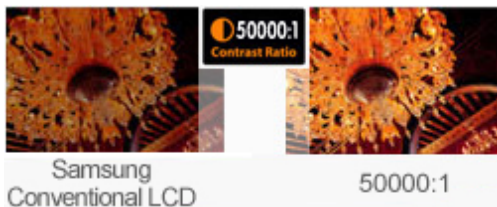

SyncMaster™ 18.5" movie wide monitor

To promote workplace efficiency, SAMSUNG has created a range of monitors which allow users greater freedom and flexibility to create their optimum working environment. Elegant and slim, with superior technical specifications and outstanding features, the monitors promote productivity and provide empowerment.

50000:1 contrast ratio

With high Dynamic contrast ratio (DC 50000:1), you can enjoy more vivid and clear quality of multimedia contents.

Slim and Emotional Design

Narrow and Simple Design. The 943SWX Plus adopts Touch key function and overall soft feeling design.

More Horizontal Image

More ergonomic with less mouse scroll.

Fast Response time 5ms

Supports fast response time reducing the blurring effect. The best solution for entertainment.

Multiscreen Software

Multiple screen with one monitor

- possible to make 'multiple screen environment' with one monitor tool for making optimized environment for multi-tasking
- Simply 'drag & drop'.
- No size or position regulation is needed to organize windows.
