

VW225TL
Ergonomic Design for Visual Comfort

Ergonomic design for personal visual comfort

It's easy for you to reach a desired viewing angle with support of tilt, height adjustment and swivel functions.

Ergonomic Design for Visual Comfort

High-quality 22" 16:10 widescreen

The 22" widescreen with 1680 x 1050 high resolution and wide viewing angle make the LCD monitor perfect for viewing high-quality DVD images. The W225TL can fit two A4 size pages at the same time, meaning ample screen space for different contents to help double your working efficiency. 16.7 million display colors deliver rich and colorful images to surprise your eyes.

DVI Video Input with HDCP Supported

One of the first LCD monitors to incorporate DVI input with HDCP (High-Bandwidth Digital Content Protection) supported to ensure video signal integrity and image quality and prepare for next generation upgrade of computer operation system.

Intelligent image enhancement

Splendid Video Intelligence Technology fine tunes the color, brightness, contrast and sharpness of images in different video applications and offers 5 preset video modes (Scenery, Theater, Games, Night View and Standard) selection via hotkey and 3 skin tone options (Reddish, Yellowish and Natural)

Tilt

Adjustable stand

Swivel

ASCR (ASUS Smart Contrast Ratio) Technology

Provides the high contrast ratio of 8000:1, which can dynamically adjust contrast between black and white to provide sharper and brighter images - especially during games and movies.

User-friendly Designs

Perfect imaging all from ASUS

ASUS SPLENDID™ is The Secret for Vibrant Image Display

The exclusive SPLENDID™ Video Intelligence Technology from ASUS optimizes overall display for the best results in image preview, movie playback and gaming.

Scenery Mode

Contrast / brightness enhancement provides vivid, lifelike images.

Theater Mode

Splendid™ optimizes sharpness, contrast, and color for vibrant viewing during playback.

Game Mode

Satisfies gamers with unparalleled color saturation and details for a realistic gaming experience.

Night View Mode

Just activate night mode to bring out image details in scenes with limited light source as in the movies and games.

3 preset skin tone

SPLENDID™ provides three skin tones - natural, reddish, and yellowish - so that users can choose to apply the characters in display for different graphic applications

Convenient key controls for functional set-up in the multi-language OSD.

Built in stereo speakers

Cable manager gets rid of tangling cables and wires.

VESA Wall Mount Standard (100 x 100 mm).

KENSINGTON Security Lock.

Convenient hotkeys

Cable manager
