

## Canon PIXMA iP4700

---

### **Stylish Photo Printer with 5 Individual Ink Tanks and Built-in Auto Duplex Printing.**

For those who want superior photo quality and built-in Auto Duplex Printing at home, your single function printer has arrived. The PIXMA iP4700 Premium Inkjet Photo Printer possesses the high-quality, performance and style needed for your varied home printing needs.

Incredible 9600 x 2400 maximum color dpi with a minimum color droplet size of 1pl and a 5 individual ink tank system sets the stage for beautiful borderless photos up to 8.5" x 11", web pages or documents all with amazing quality. The ChromaLife100+ system enables your photos to last up to 300 years when using select genuine Canon ink and paper and stored in an archival-quality photo album. Printing and automatically correcting your photos has never been easier thanks to the new Auto Photo Fix II feature within the popular Easy-PhotoPrint EX software.

If that wasn't enough versatility, you can also enjoy 2-Way Paper Feeding and computer-free photo printing with a PictBridge connection. So, you can print photos directly from your compatible digital camera, DV camcorder or camera phone.
