Easy to use for everyday printing

- Easily print your documents with the simplicity of only three; one-touch buttons—power, resume and cancel.
- Save ink, paper and time by quickly stopping unwanted prints with the print-cancel button.
- Have new ink ready when you need it thanks to automatic low-ink alerts.

Get up and running fast

- Simple set up in just a few easy steps lets you start printing fast.
- The conveniently located ink cartridges make it fast and easy to replace ink and get back to printing.
- Start enjoying your new printer right away thanks to printer software that easily connects with your PC.

Save ink and paper with HP Smart Web Printing²

- Save ink and paper by combining content from multiple web pages onto one page with HP Smart Web Printing².
- Conserve print supplies by clipping content from multiple websites and printing on a single page.
- Stay organized by adding personal notes to web pages before printing.

Print laser-quality text and vivid color images

- Get three times more black printed pages and two times more color printed pages, using replacement high-capacity cartridges³.
- Enjoy quality, worry-free printing with Original HP Inks that are designed to work with your HP printer.
